

## Gr. 3 Supply List/Silvermine School

Dear Parents,

In order for your child to be ready when they arrive in school we have provided a list of suggested items you may donate to the classroom.

Please look out for these items in the month of August. Staples, Wal-Mart, Target and Office depot are stores that usually have great sales, but you do not have to buy the items in these stores. These items will help your child get ready and feel prepared for the school year.

### SUPPLY LIST:

- 1 box of pencils
- Erasers
- Pencil sharpener
- 4 double pocket folders
- 4 spiral notebooks
- Clorox Wipes
- Tissues (Kleenex)
- 4 packets of Post-its

These are items you should have at home to use throughout the year: Crayons, colored pencils, scissors, glue, highlighters, post it notes, index cards and paper.

Thank you so very much,

Third Grade Team
